

Q: "What is the key step being performed in {802.6s-825.2s}?"

- A. Mash the corn kernels with the fork
- B. Taste the corn with the metal fork
- C. Mix the contents of the bowl well
- D. Wipe the counter with the black cloth

Key Step Recognition

Procedural Sequence Reasoning

Q: "Based on {Procedure}, ...choose the correct combination of the previous action and the next action."

- A. Previous action: Grind the coffee beans. Next action: Place the paper filter.
- B. Previous action: ... Next action: ...
- C. Previous action: ... Next action: ...
- D. Previous action: ... Next action: ...

Key Step Grounding

Q: "...from 336.6s to 555.1s. It contains the following steps...At what time interval does the action 'Heat the water to between 195-205°F' occur?"

GT:{368.1s-487.2}

"Place a dripper with a folded paper filter on a mug."

"Weigh and grind the coffee beans."

"Measure 12 ounces of cold water."

"Heat the water to between 195-205°F (91-96°C)."

"Wet the coffee grounds with a small amount of hot water."

"Coffee."

"Discard the used filter and grounds."

"Pour the remaining hot water over the grounds in a circular motion."

Key Step Ordering

Q: "Based on {Procedure}... I have provided 3 video clips (Clip 1, Clip 2, Clip 3) extracted from the activity 'Coffee'. They are presented in a random order. Please arrange them."

- A. Clip 3 → Clip 2 → Clip 1
- B. Clip 2 → Clip 1 → Clip 3
- C. Clip 1 → Clip 3 → Clip 2
- D. Clip 1 → Clip 2 → Clip 3

Key Step Missing

Q: "The full procedure involves: 1. ..., 2. ..., 3. ... Based on the visual content, which step is missing from the provided video?"

- A. Place a dripper with a folded paper filter on a mug
- B. Measure 12 ounces of cold water
- C. Weigh and grind the coffee beans
- D. ...

Task Completeness

Q: "The task is: Coffee. The video clip shows one step of this task. Is the task completed?"

- A. Not completed
- B. Completed
